datasheet ELICA

General description:

Coat rack formed by an anodized aluminum column and hangers and base made of painted steel.

Our original Elica has two new family members: Elica umbrella with the double function of umbrella stand and coat rack where the container is made of aluminum; and Elica mini, a steel light weight, portable and of personal use coat rack, so whenever you are sitting down in a restaurant, library, cafe or in your work place, you can have your belongings near.

Diseñador: Fernando Gil.

Technical description:

Elica and Elica Umbrella:

Base and hagers			Column	
				
white gloss	textured forge grey	satin black RAL 9011	anodized aluminum	white gloss
*Polyester paint				

Elica Mini:

		
white gloss	textured forge grey	satin black RAL 9011
*Polyester paint		

Consult for special dimensions or any other modification.

Maintenance:

-Polyester Paint:

For dry dirt (dust), use a damp cloth. For greasy/oily stains (fingerprints), wipe with a sponge with water and dishwashing liquid. Rinse with a damp cloth. Avoid using products containing solvents and/or pure ethyl alcohol.

-Aluminium-metal-glass-melamine-plastic:

We recommend using normal cleaning products for delicate surfaces. Alcohol, solvents and abrasive agents must be avoided.
