

# systemtronic

datasheet LAURA

**General description:**

Laura is a versatile and functional table. We like to imagine it on a chill-out terrace, in a waiting room, or in a child's bedroom.

Designer: Mermelada Estudio.

Year of launch: 2015.

Textured green  
RAL 6009

Textured red sirung

Textured  
bronze bagana

Textured rust rame

Polyester paint.

Consult for special dimensions or any other modification.

**Maintenance:**

Polyester powder coating:

For dry dirt (dust), use a cloth dampened with water.

For greasy/oily dirt (fingerprints), use a sponge with water and liquid dish detergent (Vim liquid), then wipe with a cloth dampened with water.

Avoid using detergents containing solvents or pure ethyl alcohol.

Aluminum–metal–glass–melamine–plastic materials:

The use of standard commercially available products for delicate surfaces is recommended.

Alcohol, solvents, and abrasive detergents must be strictly avoided.

**Sustainability:**

The materials used in manufacturing are 100% recyclable. The paints used contain no solvents, do not consume water, and do not generate emissions or discharges. The result is a reduced environmental impact.
