

# systemtronic datasheet MALVA

General description:

The Malva spacer's forms emerge inspired by the Mediterranean waves, a place where you can switch-off and enjoy a moment of tranquility. Available in different colors, the Malva spacer is versatile, adaptable to a great variety of environments.

Designer: Hugo Tejada.

Year of launch: 2014.

Technical description:Material:

Structure: Aluminum.

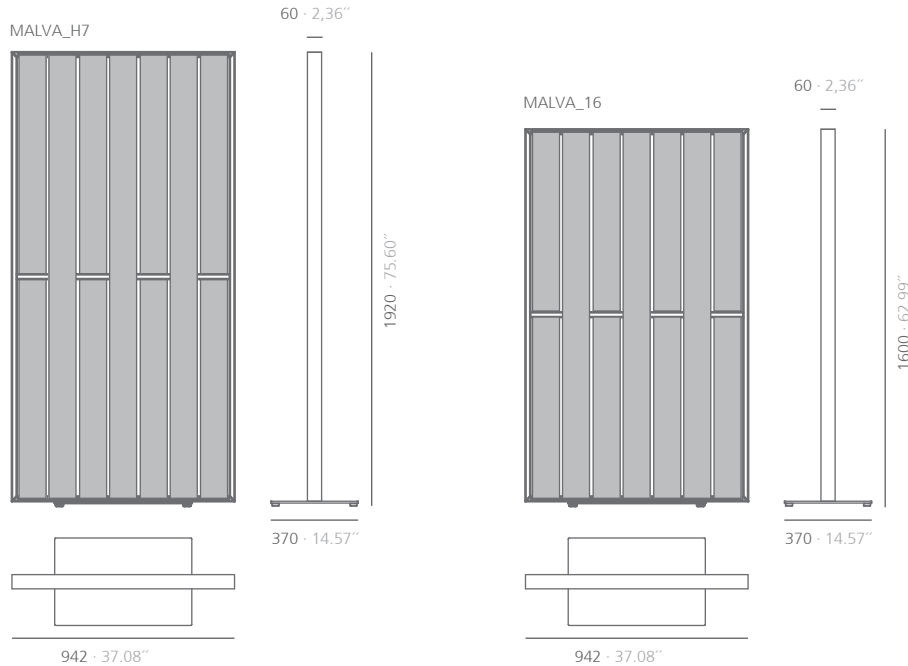

Stripes: Screen. Polyester fiber. Fire resistance: Class 1. Norm UNE-EN 13773:2003

Base: Steel.

Dimensions:

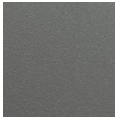

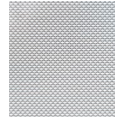

MALVA\_H7: 942x370x1920 mm 37.09"x14.57"x75.59"

MALVA\_16: 942x370x1600 mm 37.09"x14.57"x62.99"

mm · inches

Finishes:

Structure			Screen	
				
matte white RAL 9003	textured forged grey	satin black RAL 9011	anthracite grey	light grey
*Polyester paint				

Consult for special dimensions or any other modification.

Maintenance:-Polyester Paint:

For dry dirt (dust), use a damp cloth. For greasy/oily stains (fingerprints), wipe with a sponge with water and dishwashing liquid. Rinse with a damp cloth. Avoid using products containing solvents and/or pure ethyl alcohol.

-Aluminium-metal-glass-melamine-plastic:

We recommend using normal cleaning products for delicate surfaces. Alcohol, solvents and abrasive agents must be avoided.

Sustainability:

The used paints do not contain solvents, do not consume water and do not generate emissions or waste. The result is a lower environmental impact.

Assembly:
