

systemtronic
datasheet POINTO

General description:

Attractive wall hooks, the range of colours and shapes (squared and round) allows multiple compositions. Made of painted steel sheet, they have a simple mounting system.

Designer: STC Studio.

Year of launch: 2016.

Technical description:

POCUA SQUARED

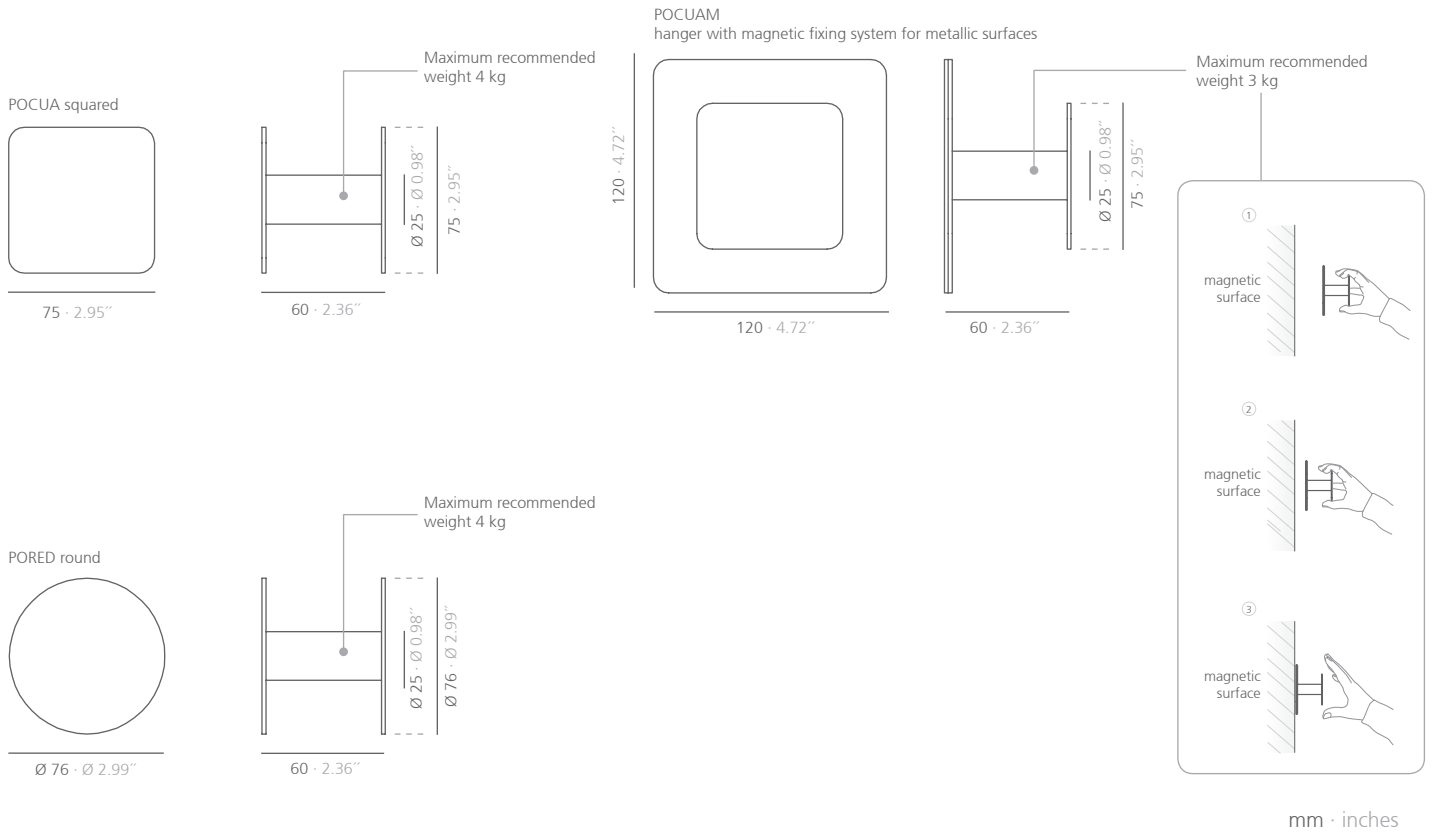

·Material: Steel.
·Dimensions: 75x60x75mm
2.95x2.36x2.95"

PORED ROUND

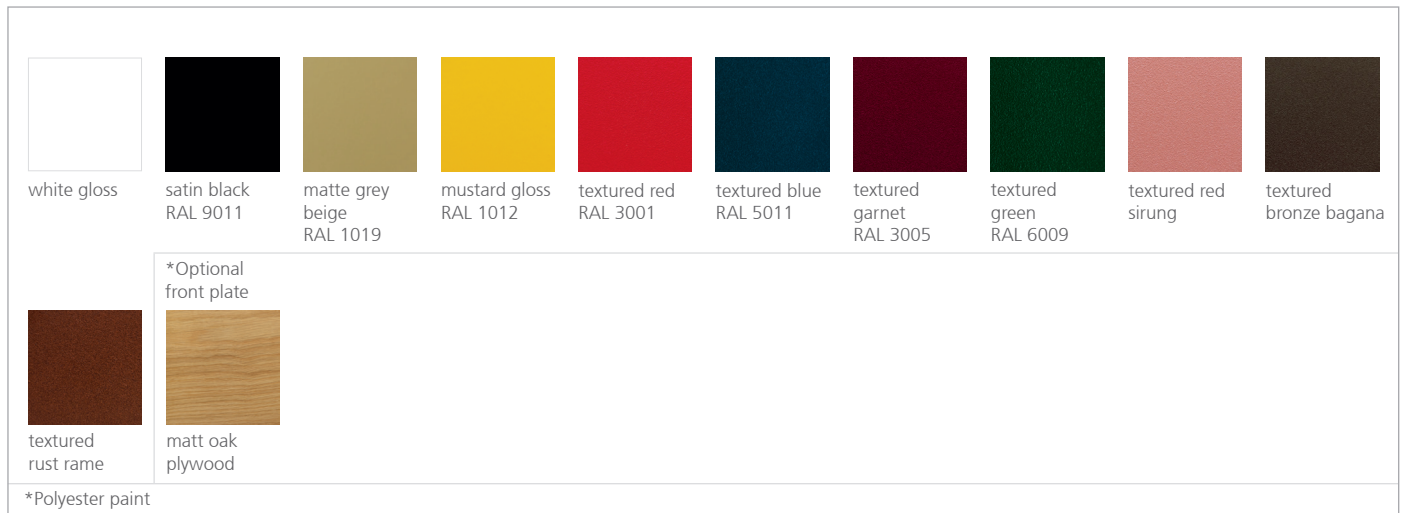

·Material: Steel.
·Dimensions: Ø76x60mm
Ø2.99x2.36"

POCUAM

·Material: Steel.
·Dimensions: 120x120x60mm
4.72x4.72x2.36"

Finishes:

Consult for special dimensions or any other modification.

Maintenance:

-Wood:

We recommend using a cloth or cleaning products for wood. Avoid using products containing solvents and/or alcohol.

-Polyester Paint:

For dry dirt (dust), use a damp cloth. For greasy/oily stains (fingerprints), wipe with a sponge with water and dishwashing liquid. Rinse with a damp cloth. Avoid using products containing solvents and/or pure ethyl alcohol.

-Aluminium-metal-glass-melamine-plastic:

We recommend using normal cleaning products for delicate surfaces. Alcohol, solvents and abrasive agents must be avoided.

Sustainability:

The used paints do not contain solvents, do not consume water and do not generate emissions or waste. The result is a lower environmental impact.

Assembly (POCUA / PORED):
