Finishes:

Polyester paint.

Consult for special dimensions or any other modification.

Maintenance:

Polyester powder coating:

For dry dirt (dust), use a cloth dampened with water.

For greasy/oily dirt (fingerprints), use a sponge with water and liquid dish detergent (Vim liquid), then wipe with a cloth dampened with water.

Avoid using detergents containing solvents or pure ethyl alcohol.

Sustainability:

The Verissimo collection is committed to sustainability and environmental preservation, which is why it uses responsible materials that minimize our impact on the planet. The aluminum used in the collection is 100% recyclable and contains at least 70% recycled content. This ensures that the products are durable and have a long lifespan, reducing the need for short-term replacement. Additionally, the paints used are solvent-free, water-free, and produce no emissions or waste. The result is a lower environmental impact.
